Working From Home? Let Us Help Complete Your Apps with Drop Ticket

Drop Ticket is our leading multi-carrier solution for insurance. Run a quick life quote, select your carrier, and then let us help you complete the app. You can drop tickets for the following products: term, permanent, disability insurance, long term care insurance, and long term care hybrids.

What is it?

An online submission process for insurance. This paperless system leads you through a simple step-by-step, screen-by-screen process to gather basic information about your client and begin the application process.

How does it work?

Once the data is electronically submitted, our service providers interview the client, schedule the medical exam, obtain the signed application forms, and order the initial APS.

What are the benefits to you?

- Expanded risk calculator for more precise quoting
- Fewer appointments to schedule
- More time to focus on larger, higher-paying premium cases
- Reduce paper and produce 100% in Good Order application submissions
- Transact on the go with mobile device compatibility
- Cases typically process 14 days faster*
- View real-time status, 24/7
- Earn the same comp as a paper application, only faster

Contact us to see what carriers are available on our Drop Ticket platform and learn more by visiting the links below.

Drop Ticket is an online insurance application fulfillment process. By performing this service, neither Crump nor its service provider(s) act in the capacity of the writing agent. It is the responsibility of the writing agent to perform suitability review and ensure that the plan and the amount of insurance being recommended for the proposed insured is suitable in view of the owner's insurance needs and financial objectives.
