Apply for your policy in three easy steps…

Congratulations on your decision to protect your financial future with insurance from Assurity Life Insurance Company. Assurity has a legacy of helping people through difficult times for generations and providing "best in class" service to our policyholders.

Thank you for completing the initial insurance paperwork with your agent. **You will make no premium payment at this time.**

Step 1

You will be contacted by phone to schedule a time to provide your medical history to an experienced telephone interviewer. We will work with your schedule so that your interview (approximately 20-30 minutes) is private and convenient for you. The information will be kept strictly confidential and used only for this application.

We strongly recommend that you gather the following information so the interview will go quickly. Please be prepared to provide:

- ✔ *Medical information, including physicians' contact information; hospitalizations, office visits and treatments; and prescription drug history over the last two years. Also be prepared to give the drug name, dosage and frequency.*
- ✔ *Company names, insurance types and coverage amounts of your other life or health insurance policies.*
- ✔ *Specific financial information (completed tax returns for the last two years).*

Depending on the type of insurance for which you are applying, you may also need to provide the following:

- ✔ *Medical history for your parents and siblings*
- ✔ *Driving history*
- ✔ *Leisure activities*

Insurance protection is an important component in securing your financial future. Thank you for choosing Assurity for your insurance needs.

Step 2

During the phone interview, your interviewer may need to schedule a mini-medical exam, which may include providing blood and/or urine samples, at your convenience. A licensed professional can provide a short exam at home or work, or you may visit one of our affiliated medical facilities.

Step 3

Once Assurity has reviewed your information, your agent will inform you of the status of your paperwork. If your request is approved, your agent will deliver your policy to you, along with the completed application for you to review and sign. **The premium and/or an automatic bank withdrawal form will be collected at this time.**

Please feel free to call us at (877) 611-4701 if you haven't received a phone call from our interview unit within five business days of completing your paperwork.

Interview hours are:
Monday through Thursday: 7 am–9 pm (Central)
Friday: 7 am–6 pm (Central)
Saturday: 9 am–1 pm (Central)

NOTICE AND CONSENT FOR BLOOD TESTING

BLOOD TESTING MAY INCLUDE AIDS VIRUS *(HIV)* ANTIBODY/ANTIGEN TESTING

INSURER: Assurity Life Insurance Company • P.O. Box 82533 • 1526 K Street • Lincoln, Nebraska 68501-2533

EXAMINER: _____
Name *Address*

To determine your insurability, the Insurer named above *(the Insurer)* has requested that you provide a sample of your blood for testing and analysis. All tests will be performed by a licensed laboratory.

Tests may be performed to determine the presence of antibodies or antigens to the Human Immunodeficiency Virus *(HIV)*, also known as the AIDS virus. The HIV antibody test that we perform is actually a series of tests done by a medically accepted procedure. The HIV antigen test directly identifies AIDS viral particles. These tests are extremely reliable. Other tests which may be performed include determinations of blood cholesterol and related lipids *(fats)* and screening for liver or kidney disorders, diabetes, and immune disorders.

PRE-TESTING CONSIDERATION

Many public health organizations have recommended that before taking an AIDS virus *(HIV)* antibody/antigen test, a person seek counseling to become informed concerning the implications of such tests. You may wish to consider counseling, at your own expense, prior to being tested.

DISCLOSURE OF TEST RESULTS

All test results will be treated confidentially. They will be reported by the laboratory to the Insurer. When necessary for business reasons in connection with insurance you have or have applied for with the Insurer, the Insurer may disclose test results to others involved in the underwriting and claims review process. If the HIV test is positive, the results will be reported to the local health department or the State Department of Health and if the Insurer is a member of the Medical Information Bureau *(MIB, Inc.),* the Insurer may report the results in a generic code which signifies only nonspecific blood test abnormalities. If your HIV test is normal, no report will be made about it to the MIB, Inc. Other test results may be reported to the MIB, Inc. in a more specific manner. The organizations described in this paragraph may maintain the test results in a file or data bank. There will be no other disclosure of test results or even that the tests have been done except as may be required or permitted by law or authorized by you.

The following protocol will be used for blood testing:

1) An initial ELISA blood test.
2) If the initial ELISA test is positive, then a repeat ELISA blood test must be given.
3) If the second ELISA blood test is positive, a Western Blot test must be used to confirm the previous positive results. If any of the tests yield negative results, the tests may not be used for underwriting and the positive result*(s)* must be purged from your insurance file.

MEANING OF TEST RESULTS

If your HIV test results are normal, no routine notification will be sent to you. If the HIV test results are other than normal, the Insurer or your designated physician will contact you. The Insurer may also contact you if there are other abnormal test results which, in the Insurer's opinion, are significant. The Insurer may ask you for the name of a physician to whom you may authorize disclosure and with whom you may wish to discuss the results.

Positive HIV antibody/antigen test results do not mean that you have AIDS, but that you are at significantly increased risk of developing AIDS or AIDS-related conditions. Federal medical authorities have concluded that persons who are HIV antibody/antigen-positive should be considered infected with the AIDS virus and capable of infecting others.

Positive HIV antibody or antigen test results or other significant blood abnormalities will adversely affect your application for insurance. This means that your application may be declined, that an increased premium may be charged, or that other policy changes may be necessary.

CONSENT

I have read and I understand this Notice of Consent for Blood Testing Which May Include HIV Antibody/Antigen Testing. I voluntarily consent to the withdrawal of blood from me by needle, the testing of that blood and the disclosure of the test results as described above.

In the event of a positive HIV test result, I authorize Assurity Life Insurance Company to send the test results to the following health care professional for post-test counseling and for Health Department reporting purposes:

REPLACEMENT NOTICE

NOTICE TO APPLICANT REGARDING REPLACEMENT OF HEALTH INSURANCE

According to your application *(information you have furnished)*, you intend to lapse or otherwise terminate existing health insurance and replace it with a policy to be issued by Assurity Life Insurance Company. For your own information and protection, you should be aware of and seriously consider certain factors which may affect the insurance protection available to you under the new policy.

1. Health conditions that you may presently have *(pre-existing conditions)*, may not be immediately or fully covered under the new policy. This could result in denial or delay of a claim for benefits under the new policy, whereas a similar claim might have been payable under your present policy.

2. You may wish to secure the advice of your present insurer or its agent regarding the proposed replacement of your present policy. This is not only your right, but it is also in your best interest to make sure you understand all the relevant factors involved in replacing your present coverage.

3. If, after due consideration, you still wish to terminate your present policy and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical/health history. Failure to include all material medical information on an application may provide a basis for the company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, reread it carefully to be certain that all information has been properly recorded.
