Preliminary Inquiry — Not an application for life insurance. This Informal is used exclusively to gather specific information on a proposed insured's medical history and other factors that may impact underwriting and rating classification. This is not an application for insurance and in no way guarantees a specific underwriting class or binds any insurance coverage with any insurance carrier.

Limited to $1 million face amount or greater for all products and $3,500 in annual placeable premium.

The decision to order records versus moving directly to a formal application is determined by a combination of the product, face amount, and medical history provided.
