Rick Stewart serves as a director for the Long Term Care (LTC) Solution Center and is a Registered Principal at Crump Life Insurance Services. He began his career with Crump in 2006 and has over 15 years of LTC and linked benefit product sales experience as an LTC wholesaler. During his tenure with Crump, Rick served as a regional director for Crump's Solution Centers, overseeing the sale of long term care insurance (LTCi), disability insurance, and annuities within his designated region.

Rick has achieved Crump's President's Club status, awarded annually to the top 25% of eligible teammates.

Before joining Crump, Rick spent nine years in personal production, including four years with a national carrier as a top performer and a qualifier for the Million Dollar Round Table. His varied background gives him the ability to view things from an insurance professional's perspective. He holds Series 7, 63, 65, and life and health insurance licenses, earned his Certified Long Term Care (CLTC) designation, and has a Bachelor of Science degree in finance from Towson University in Maryland.

Rick resides in Parkton, Maryland, with his wife, Aime, and four children.
