# General Requirements

## A. Applicability

- These guidelines are intended to support the submission of individual life insurance applications and may not be used for other products.

## B. Solicitation, application, medical examination, policy delivery

- All solicitation and all related aspects of the sale/application, from the initial contact, completion of application, medical exam, inspection report, and any other requirements, must take place within the United States – up to and including the policy delivery. Cover letters and other aspects of sale/application must be completed in English.
- The producer will be responsible for obtaining APSs and other requirements outside the country.
- Supporting documentation provided in a language other than English will be translated internally. If a translation is provided from an external source, the original in-language source document is required to be submitted with the application.
- Copy of current and valid visa must be provided with the application. (See Category 3 regarding Visa Waiver Program clients).
- Clickwrap eSignatures will be required for Foreign National applications submitted via iGO eApp.
- Use of a limited Power of Attorney for delivery of certain Category 3 Foreign National cases may be acceptable subject to individual case review after policy approval.
- Ownership may be through a trust, partnership, LLP, LLC, corporation or other legal entity domiciled in the U.S. The trust, partnership, LLP, LLC or corporation documents must be in English and fully executed copies of such documents must be submitted to company prior to policy issuance.
- Ownership through a foreign domiciled trust, partnership, LLP, LLC, corporation or other legal entity is prohibited.
- If the owner and/or payor of the policy differs from the insured, the owner and payor must also meet U.S. substantial contacts criteria (see Category 3).
- Completed [Certification Regarding Taxes and Laws](#) is required (form AGLC103958).
- For Categories 2 and 3, an IRS form W-9 or IRS form W-8BEN is required. Either form, as determined by the client, is acceptable to Corebridge Financial.
- **Delivery receipt required for all Foreign National-owned policies**, regardless of signed state and pending location.
- Delivery receipt must include the signed U.S. city and state, as well as wet signatures from BOTH the policy owner and agent. Please note exceptions for the following cases:
  - **Paper policy packets mailed directly** to Foreign National policy owners will ONLY require the policy owner's wet signature, not the agent's.
  - **Policies delivered electronically via DocFast** will not require the Foreign National policy owner's wet signature, as the signing location is captured electronically.

## C. Premium payments

- The initial premium and all subsequent premium payments must be drawn on the U.S. bank account of the named insured, owner or payor listed on the application.
- All premium payments must be in full compliance with Company Office of Foreign Assets Control (OFAC) and Anti-Money Laundering (AML) procedures.
- Money orders are not acceptable for initial or ongoing premiums.

## D. Post-Issue policy communications

- All post-issue communications regarding the policy, including premium notices, must be mailed to a street address of record within the U.S. that is not the address of the agent or any affiliate.
