

Can Your Clients Fund Their Future Without an Income?

Disability Insurance Can Help

Crump can help your clients by offering income replacement products should they ever become unable to work.

Disability insurance (DI) will allow them to continue their lifestyle and reduce their financial burden regardless of their stage of life.

No one plans to become disabled. Let Crump help your clients plan for the unthinkable so they do not need to worry about their family or expenses if they experience an illness or disability that prevents them from working.

Did You Know?

1 in 4 individuals will become disabled prior to reaching retirement age.*

Who Should Consider DI?

Here are some audiences to consider when thinking about starting the DI conversation:

- Young earners needing to cover basic expenses
- Blue collar workers
- Professional individuals
- Executives and high-salary earners who do not want to tap into their savings
- Business owners who do not want to put their company at risk

Contact your **Crump Disability Solution Center Sales Desk at 800.582.7785, option 3, option 1** for more about why we're the place to put your DI business.
