LINCOLN MONEYGUARD® II

## Health-related expenses associated with long-term care are increasing

Help protect your assets from long-term care expenses with a solution that fits your financial plan—Lincoln *MoneyGuard*<sup>®</sup> II. This universal life policy with an optional qualified long-term care insurance rider provides benefits to reimburse qualified long-term care costs should you become chronically ill.¹ It gives you a choice of payment options of 1 through 10 years and provides benefits—even if you never need care, as long as you pay your planned premiums.

### Meet Nancy

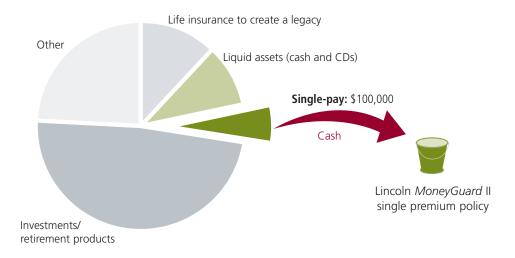

#### Married, age 60

Nancy likes to be in control. She wants to prepare for retirement by protecting her portfolio with a solution that gives her options.

Nancy is aware of the rising costs of long-term care and understands the importance of planning. Before she retires, she'd like a plan in place and check it off her to-do list. Nancy has sufficient liquid assets, so her advisor, a licensed insurance agent, recommends that she purchase a \$100,000 single premium Lincoln *MoneyGuard* II policy. Nancy can have a minimum of six years of long-term care benefits because her policy has a 2-year Long-Term Care Acceleration of Benefits Rider and a 4-year Long-Term Care Extension of Benefits Rider. If she needs care, she'll have benefits worth much more than her premium payment.
