

Meet your Business Solutions Team for McGriff¹

Territories:
LA, TX

We are pleased to introduce the Truist Life Insurance Service (LIS) Business Solutions Team (BST). This team is solely focused on Truist's business clients through collaborating with McGriff¹, Commercial Community Banking (CCB), and Wealth. They will provide an integrated approach when consulting with your business clients in order to provide a seamless delivery of life insurance, long term care/linked benefits, and disability insurance products and solutions.

Business Solutions Strategist (BSS)

LA, TX

Scott Grooms

817-320-6941

Scott.Grooms@TruistLife.com

The Business Solutions Strategist (BSSs) are in-market insurance professionals who partner with McGriff¹ and Commercial to provide business solutions for successful corporations and businesses. As a BSS, Ryan and Scott are responsible for supporting the discovery, design and implementation of complex business insurance strategies. Through the power of IRM, they will partner with additional Truist professionals to help deliver best-in-class solutions to a broad range of business client needs.

Business Development Specialist (BDS)

Ani Morris

352-355-7337

Ani.Morris@TruistLife.com

Click [here](#) to schedule a meeting

Unique to Truist, the Business Development Specialist (BDS) is an internal role dedicated to business entities of the McGriff¹ and Commercial lines of business. As a BDS, Ani provides education and marketing support to identify opportunities, articulate the referral process, and direct IRM partners to the business solutions strategist for design and implementation.
