* These maximum weights also apply to Preferred Tobacco and Standard Tobacco.

Standard Nontobacco

Standard Nontobacco rates are available to those individuals ages 18-85 who have not used any form of nicotine for the past 12 months (exception: no more than two cigars per month with a negative cotinine lab test.) and do not exceed the maximum weight on the Height and Maximum Weight Chart.

Preferred Tobacco

Preferred Tobacco rates are available to those individuals ages 18-80 who meet all of the qualifications for the Preferred Nontobacco and Select Nontobacco classifications, except they have used some form of nicotine in the past 12 months.

Standard Tobacco

Standard Tobacco rates are available to those individuals ages 18-85 who do not exceed the maximum weight on the Height and Maximum Weight Chart, and have used nicotine in the past 12 months.

Marijuana use

Ameritas will consider coverage on applicants using marijuana for medical or recreational purposes. To consider these risks, it is expected that clients provide full disclosure at the outset of the application process. Marijuana use that is not disclosed and is discovered through the underwriting process (labs, medical records, etc.) may be denied coverage.
