

Let Crump Help Complete the App with Drop Ticket

Drop Ticket is our leading multi-carrier solution for insurance. Run a quick life quote, select your carrier, and then let us help you complete the app.

What is it?

An online submission process for insurance. This paperless system leads you through a simple step-by-step, screen-by-screen process to gather basic information about your client and begin the application process.

How does it work?

Once the data is electronically submitted, our service providers interview the client, schedule the medical exam, and obtain the signed application forms.

What are the benefits to you?

- Expanded risk calculator for more precise quoting
- Fewer appointments to schedule
- More time to focus on larger, higher-paying premium cases
- Reduce paper and produce 100% in Good Order application submissions
- Transact on the go with mobile device compatibility
- Cases typically process 14 days faster¹
- View real-time status, 24/7
- Earn the same comp as a paper application, only faster
