

# Life Happens in a heartbeat.

In one moment, one heartbeat—your life changes.

You've spent a life together ... now you're charting a new course. But, have you considered what would happen if you were no longer there to take care of your loved ones?

While nothing can replace you, having life insurance means that if something happened to you, your loved ones would be OK financially.

Life insurance is a gift of love. Learn more at [www.lifehappens.org](http://www.lifehappens.org).
